Community Standards Handbook 2014 - 2015

Preface

The Governors State University's (GSU) community standards program strive to promote a safe and secure community which values academic freedom, integrity, excellence in scholarship, justice, diversity, and access to educational opportunities; while treating each student with dignity and respect.

Student Conduct (Policy 4), is the primary policy that outlines the University's expectations for students role in our community. This handbook outlines the administrative procedures for remedying conduct of students and/or recognized student clubs/organizations that fail to abide by the University's community standards.

Community Standards' mission is fulfilled by:

- Developing, disseminating, interpreting, and enforcing the Student Code of Conduct
- Promoting a campus environment that supports the overall educational mission of the University by educating students about their rights and responsibilities as university community members
- Responding to allegations in a fair, consistent and timely response to guarantee that due process is afforded to each student
- Supporting students during the conduct experience in an effort to foster life-long learning skills regarding behavioral standards of the community
- Offering educational and leadership opportunities for students who participate in the operation of the student conduct system

Community Standards' Core Values:

- Civility
- Responsibility
- Social Justice
- Integrity

The Office of the Dean of Students is responsible for administering the Student Conduct (Policy 4). Therefore, the Office of the Dean of Students will educate students and recognized student clubs/organizations about the University's community standards and will manage a fair and just outcome when those community standards are not met.

This 2014/15 Community Standards Handbook is effective August 1, 2014.

Knowledge/Interpretation Statement

The policies and procedures listed within the Community Standards Handbook do not constitute a comprehensive outline all of the University's rules and regulations. For additional policies and procedures feel free to visit www.govst.edu/policies or the Governors State University Catalog at www.govst.edu/catalog

Any question of interpretation or application of this Community Standards Handbook or the Student Conduct (Policy 4) will be referred to the Office of the Dean of Students for final determination.

Procedures for Amending Content in the Jaguar Community Standards Handbook

Proposed changes to the Community Standards Handbook are welcome by all GSU community members; however, the Student Conduct Committee as a standing committee, with the addition of a member from the Educational Policies Committee, whose role includes insuring that procedures are aligned with policy, is responsible for final approval of proposed amendments.

All final changes to procedures implementing the Student Code of Conduct must be approved by at least two-thirds of the committee (Student Conduct Committee plus the EPC member).

Approved amendments are finalized and held until the beginning of the following academic year and/or the effective date for the following academic year's Jaguar Community Standards Student Handbook.

SECTION ONE: UNIVERSITY BASICS

It is important that we all know what to expect of one another and how we make our shared values come to life every day. Our mission isn't a static statement – it's what we live by:

Governors State University is committed to offering an exceptional and accessible education that imbues students with the knowledge, skills and confidence to succeed in a global society. Everyone on campus has a responsibility for helping us as we strive for academic freedom, integrity, excellence in scholarship, justice, diversity and access to education. Our STUDENT CODE and other university policies will give you clear guidance on both what you can expect from GSU faculty and staff, and what we can expect from you.

GSU MISSION STATEMENT

Governors State University is committed to offering an exceptional and accessible education that imbues students with the knowledge, skills, and confidence to succeed in a global society. GSU is dedicated to creating an intellectually stimulating public square, serving as an economic catalyst for the region, and being a model of diversity and responsible citizenship.

SECTION TWO: STUDENT RIGHTS

2.1 General Responsibility of Students

Governors State University recognizes the basic rights and responsibilities of the members of the University and accepts its obligation to preserve and protect those rights and responsibilities. Further, the University must provide for its members the opportunities and protections which best serve the nature of the educational process. The Student Conduct Code governs the behavior of students of the University and it must ensure that the basic rights of the individual as well as the practical necessities of the community are met.

As members of the academic community, students are entitled to the same rights and protections enjoyed by members of society. Students are subject to certain obligations by virtue of membership in the University community. Students are subject to civil law, the enforcement of which is the responsibility of duly constituted civil authorities.

The accrediting groups for the various academic programs at Governors State University may have different ethical standards and requirements regarding student conduct which complement the University's student conduct policy and procedures.

When students violate a University regulation, they are subject to disciplinary action by the University whether or not the conduct violates civil laws. When a student has allegations of violating federal, state, and/or local laws, the University may investigate and address potential conduct code violations. The University conduct process shall go forward notwithstanding any criminal complaint that may arise from the same incident.

Each GSU student is accountable for his/her actions. Students may be held responsible for the actions of their guests. When a Guest commits a violation, the student host may be charged with violating of the student code of conduct. Guests include but are not limited to: University guests, guests of students residing in University owned and operated residence halls. Students may be held accountable for the behavior of their guests including restitution for property damage. Students and their guests are expected to follow the rules and regulations defined in the following Student Code of Conduct.

Students are expected to:

1. treat students, faculty and staff of the University with fairness and respect,
2. represent themselves in an honest manner (see Policy 24-Academic Honesty),
3. respect University property and the activities conducted at University facilities, or University-sponsored events,
4. respect the property of others, and
5. uphold University policies and all applicable laws.

University is expected to:

1. be in compliance with the Fourteenth Amendment of the U.S. Constitution, *1961 Dixon v. Alabama Board of Education* and *1974 Goss v. Lopez*, which requires all public

institutions of higher learning to afford students minimal procedural process before taking disciplinary actions;

2. ensure due process for all students: all students implied to be in violation of the student code of conduct must be informed of any charges and provided with an impartial opportunity to be heard on alleged charges against them.

2.2 Student Records (FERPA)

As required by the Family Educational Rights and Privacy Act (FERPA) of 1974, Governors State University maintains individual records and information about students for the purpose of providing educational, vocational, and personal services to the student following the university's Access to Student Educational Records procedures for access to student records. The student records policy is intended to ensure the confidentiality of student education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data. The University has an obligation to limit access to student information to those legitimate uses defined in the policy, and to insure that data is stored securely to prevent unauthorized access. The following briefly outlines procedures for access to student records as required by FERPA. Questions regarding FERPA should be directed to the Registrar's Office, C Building, Room 1300 or (708) 534-4500.

The complete policy can be found under University Policies – Access to Student Educational Records (Policy 12) which can be found at: www.govst.edu/policies

2.3 Religious Observances

Governors State University will not discriminate against students for observing religious holidays and will reasonably accommodate the religious observance of individual students in regard to admission, class attendance, as well as the scheduling of examinations and academic work requirements.

- It is the responsibility of the student to notify (in writing) the GSU administrator/faculty member involved at least three class periods in advance of the date of the religious observance.
- Accommodations considered unreasonable are those which would necessitate the modification of academic standards or create undue hardship on the University or its staff.
- If a student feels he/she has been discriminated against, redress can be sought through the Student Grievance Procedure.

A more detail description of this University policy can be found at www.govst.edu/policies under Reasonable Accommodation for Students' Religious Observances (Policy 38).

2.4 Sexual Misconduct

Governors State University has committed itself, unequivocally, to ensuring a working and learning environment in which the dignity of every individual is respected. GSU is committed to providing an environment for employees, students, and campus visitors that is free from illegal harassment based on race, color, religion, ethnicity, national origin, sex, sexual orientation, age, disability, or veteran status. Likewise the University prohibits discrimination on the basis of

gender in all University activities and programs. Any form of sexual harassment, including sexual assault and sexual violence, is a violation of [University Policy 52](#) and the Code of Student Conduct.

At GSU, we strive to comply with all applicable legal requirements prohibiting harassment against any member of the GSU community. In addition to facing University consequences, those who engage in sexual harassment, sexual assault and/or sexual violence may also be prosecuted criminally.

The University has a duty to prevent harassment, to have policies against it, to investigate complaints, and to take prompt action to stop harassment when it occurs.

If you experience sexual harassment or assault or know someone that has, we encourage you report it so that we can help an environment that is free of unlawful harassment.

2.5 American Disabilities Act

Governors State University complies with the Americans with Disabilities Act of 1992 and with Section 504 of the Rehabilitation Act of 1973 as well as other federal and state legislation which states that, “No otherwise qualified person with a disability in the United States...shall, solely on the basis of disability, be denied access to, or the benefits of, or be subjected to discrimination under any program or activity provided by any institution receiving federal financial assistance.” Access Services for Students with Disabilities (ASSD) is dedicated to creating an accessible environment and equality of educational opportunities for students with documented disabilities. Legally mandated access and accommodations are available to all qualified students who self-identify with ASSD. Students must provide documentation by a qualified professional that can verify the functional impact of the disability as well as recommendations for appropriate accommodations. The information provided by students is voluntary and confidential. For more information and/or to arrange for appropriate accommodations, please contact the Director of Student Disability Services in the Academic Resource Center – Building B, room 1215 or (708) 534-4090 www.govst.edu/arc

2.6 Good Samaritan Practice

The health and safety of every student is important to GSU. The Office of the Dean of Students recognizes that the potential for a misconduct action may deter students from seeking needed medical assistance for a fellow student or themselves. As a university we support and encourage all students to reach out for assistance in cases of a medical emergency and/or when you see a fellow Jaguar in need. Through the Office of the Dean of Students' *Good Samaritan* practice, students are encouraged to be empowered witnesses who respond to a potentially risky circumstance, such as alcohol overdose, without fear of penalty from the University. For that reason, a *Good Samaritan* who makes a call to obtain medical assistance will not face formal non-academic misconduct disciplinary action, as long as the student has committed no violation of the Student Conduct (Policy 4) other than the possession and/or use of alcohol/drug by persons under 21 or intoxication in or on any property owned, controlled or used by Governors State University, including residence living. GSU's *Good Samaritan* practice also can apply to situations that may arise during an approved university-sponsored activity where alcoholic-beverages may be served and an individual may need medical assistance as a result of the over-consumption of alcohol. In such cases, the Office of the Dean of Students will also consider the *Good Samaritan* practice. Nevertheless, should a situation arise, the Office of the Dean of Students will consider the actions taken by a student and/or student club/organization/team into consideration when addressing any Student Conduct (Policy 4) violation.

For medical assistance, contact the Department of Public Safety (DPS) 708-534-4900 or 911. All students who reach out for assistance need to self-identify so that the university can recognize your *Good Samaritan* practice.

For more information about the Office of the Dean of Student's *Good Samaritan* practice, please contact us at deanofstudents@govst.edu or 708-534-7595.

Student Non-Academic Misconduct Process

Incident reports or other written complaints alleging violations of the Student Code of Conduct will be referred to the dean of students (or designee). Incident reports should be submitted within thirty working days (when classes are in session) of the occurrence/suggested violation. The dean of student (or designee) will conduct a preliminary review of the facts of the case to determine whether sufficient evidence exists to warrant a hearing. In the process of this review, the students involved in the case will be asked to meet with a designated representative from the Office of the Dean of Students in an administrative meeting to discuss the potential charges and their response to them.

During the course of the school year, cases are normally assigned to an administrative hearing officer or the Student Conduct Committee for hearing and resolution. Exceptions to this procedure include, but are not limited to:

- Cases in which a student is not contesting the charges or recommended sanctions;
- Periods when the Committee is not in session, (e.g.: academic break periods, university break periods, periods at the start of each semester prior to the convening of the committee);
- Serious cases that pose a special need for confidentiality (e.g.: Title IX cases)

Following the assignment of a case the Office of the Dean of Students, the office will then:

- Notify the student of the potential charges and meeting/hearing date;
- Provide the student with general information related to the hearing process;
- Provide the student with time to review copies of relevant reports to be used at the meeting/hearing.

The university student code process is not a criminal or judicial trial/practice. The purpose of the meeting/hearing is to determine what transpired during the incident and whether the code of conduct was violated, and by whom. The meeting/hearing process is designed to educate students and hold them accountable for their conduct and decision-making.

The Office of the Dean of Students will give written notice of an administrative meeting or conduct hearing to the accused student, recognized student club/organization, complainant, or victim/survivor. The notice will include the date, time, and location of the meeting/hearing. Students are responsible for informing the Registrar's Office of any changes to their current address. All documentation from the Office of the Dean of Students that is mailed to the current listed address with the Registrar's Office and listed GSU student email address will constitute as a valid notification for all parties.

1. Incident is reported/submitted
2. Incident determined *valid or invalid*
3. Accused student (respondent) is notified via GSU email. The notification will include any alleged violation(s) as well as the time and place of their administrative meeting.
 - a. Such meeting can be rescheduled only once at the discretion of the Office of the Dean of Students

Students' Rights as a Victim/Accused in the Disciplinary System

4. Both accused and victim/survivor will be provided with an opportunity to meet with the dean of students (or designee) to share their information about the incident as well as receive information and resources for the accused and/or victim/survivor. Contact between both parties may be limited to necessity.
5. You have the right to question persons giving testimony.
6. You have the right to present witnesses on your behalf (either to verify your character or to substantiate circumstances related to the case). Please see the Student Conduct Witness Tips listed on page 21 for further information on how to request witnesses for your hearing.

3.4 Sanctions

The following disciplinary sanctions shall comprise the range of official sanctions which may be imposed for violation of conduct regulations. One or more sanctions may be imposed. Records of disciplinary action shall be recorded and kept by the dean of students (or designee) for five (5) years following the last term of enrollment, except as noted under disciplinary suspension and disciplinary dismissal.

- Disciplinary Written Warning:** Is an official notice to a student that previous conduct was unacceptable and that future breaches of conduct shall be treated more severely.
- Educational Programs:** Educational programs include activities and assignments designed to increase awareness and education about the impact of violation on self and community. Completion and outcomes of these assignments should clearly articulated in hearing summary of findings. Failure to complete assignments as designated shall be considered a violation of the Student Code of Conduct.
- Disciplinary Probation:** Disciplinary probation is a trial period for a specific time during which a student must behave in a manner acceptable to the University. Terms of the probation shall reflect the purpose of the disciplinary sanction. Disciplinary probation status may affect qualification for awards, prizes, or student aid, when conduct acceptable to the University is a condition of such benefits. Violation of the terms of probation or of a further incident of misconduct may result in further disciplinary action.
- Disciplinary Suspension:** Disciplinary suspension is an action which excludes the student from registration, class attendance, and use of University facilities for a specified

period of time. Disciplinary suspension is recorded on the student's academic record during the period in effect and is permanently removed upon reinstatement. Upon termination of the period of suspension, the student shall be considered for registration in compliance with the academic good standing policy and the policy on continuing student status then in effect. Established proof of a further incident of misconduct, after the student is readmitted, may result in disciplinary dismissal.

- E. **Disciplinary Dismissal:** Disciplinary dismissal is the withdrawal by the University President of the privilege of registration and class attendance with no promise (implied or otherwise) that the student may return at any future time. The privilege of the use of University facilities is withdrawn by this action unless specific permission is obtained from the Dean of Students (or designee). Disciplinary dismissal is recorded on the student's academic record, to be removed only if and when the student is reinstated. A student on disciplinary dismissal may be readmitted only by action of the President of the University. A student who has been dismissed is not eligible for readmission sooner than one year from the date of dismissal.

Such restitution may be charged to any student who alone, or through group conducted activities, organizes or knowingly participates in the events causing the damages or costs. Restitution may be imposed separately or in addition to any other sanction(s).
- H. **Summary Suspension:** A summary suspension requires that a student immediately leave the campus. See Student Conduct (Policy 4) under Removal of Student from Campus Prior to a Hearing (Summary Suspension) for complete description.
- I. **Persona Non Grata:** Restricts a student or other person who is not welcome at Governors State University. Specifically, this restriction extends to all buildings, facilities and grounds of the University; any University-sponsored activities or events, both on and off campus (See also Campus Facilities Access and Security (Policy 45)).
